ASTM F2100 Level 1 2 3

PROCEDURE MASK With White Earloops

Intended Use: This product is intended for infection control practices in the healthcare industry. When worn properly, it will help minimize contamination caused by exhaled microorganisms and reduce the potential exposure of the wearer to blood and body fluids.

Warning: This face mask does not eliminate the risk of contracting disease or infection. Change immediately if contaminated with blood or body fluid. This face mask is not a respirator.
