MedZon Health*

MedZon Health* is a Global Medical Supplier, a leading innovator of medical supplies. MedZon Health* is taking unprecedented measures to ensure that vital medical supplies are kept in-stock and available. Our purpose is to keep those on the front line of healthcare equipped and safe. Our team is accessible and available to assist any time of day. MedZon Health* partners with developers and manufactures to source medical products of the highest standards.

Core Values

Vision:

To be the global leader in medical supply products.

Mission:

To develop and produce the finest, high-quality medical products in the industry and deliver first-rate services to our partners.

A Tradition Of Caring

The industry MedZon Health* serves is a demanding and emotional one, as it addresses the challenges of a universal reality – human health. At some point in our lives, all of us will need care that restores and sustains us. The heroes providing this care need reliable equipment that keeps them safe and enables them to do their critical work; whether they are a First Responder, Nurse, or a Laboratory Technician. At MedZon Health*, we aim to provide supplies and equipment that are manufactured at the highest quality, so our clients can ensure that our products are the very best in the industry. This is what drives us – the fact that what we do, and how we do it will directly impact the lives of others. The commitment of MedZon Health* to be an exceptional company and fulfill our promise to truly impact the lives of others pertaining to the health and safety of our communities. Like many leading companies within the Industry, MedZon Health* prides itself on three main attributes:

PASSION

We acknowledge that people are the heart of all that matters – the vast number of individuals whose care is entrusted to us through the use of our professional products. Each step we take is guided by respect, compassion, and empathy for others.

- People First
- Honesty and Integrity
- Knowledge

PERFORMANCE

We will aggressively pursue innovative solutions with uncompromising vigor. Our team will demonstrate the highest sense of urgency and quality in each step of the process.

- Dedication
- Unparalleled Service
- Teamwork

EVOLUTION

We will bring to the market high quality, best-value integrated solutions and products that address the needs of today's Healthcare environment and anticipate those of tomorrow.

- Product Superiority
- Total Quality
- Profitability

Our Logistics

The subsidiary Rogex* was established to operate air, ocean, and ground distribution to ensure rapid delivery, without delay, to our US partners. We are here to meet our unified goal of delivering excellence.

Our Partners

- Acute Care
- Assisted Living
- Consumer
- EMS
- HME Providers
- Home Care & Hospice
- Hospitals
- Integrated Delivery Network
- Long-term Care
- Medical Practices
- Research, Education, & Development
- Surgical Centers

Medzon Life Extension

Bringing Back End of Life Products

MedZon Health* partners with developers and manufacturers to source and produce EOL (end of life) medical products. At MedZon, we take measures into our own hands, helping our clients obtain their everyday medical products. With MedZon Health* Life Extension, we focus on bringing back end-of-life products that are short in supply and/or no longer obtainable elsewhere. Our global footprint ensures fast, reliable production of medical equipment and timely delivery to all our clients located around the world.

MCare[®] Nitrile Examination Gloves

Manufacturer: MedZon Health*

Description

- Tested for Use with Chemotherapy Drugs and Fentanyl Citrate per ASTM D6978
- Low Dermatitis Potential

MTUFF[®] NITRILE EXAMINATION GLOVES

Manufacturer: MedZon Health*

Description

- Tested for Use with Chemotherapy Drugs and Fentanyl Citrate per ASTM D6978

MSAFE[®] BLUE NITRILE EXAMINATION

Manufacturer: MedZon Health*

Description

- 3.5 mil
- Protection against chemotherapy drugs
- Protection against fentanyl citrate
- Low dermatitis potential
- Powder-free
- Ambidextrous
- Finger-textured
- Not made with natural rubber latex
- Non-sterile
- Blue
- Available in S, M, L, XL
- 100 gloves per box / 10 boxes per case
- 9" length

MGuard[®] Nitrile Examination Gloves PLUS

Manufacturer: MedZon Health*

Description

- Chemo Tested
- Finger Textured
- Powder-Free
- Non-Sterile
- 8.5 mil thickness
- 16" length

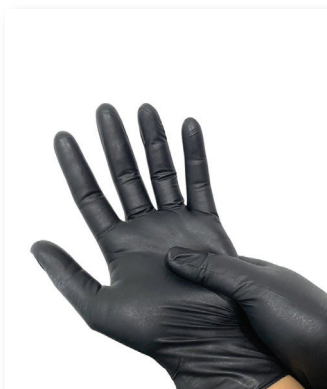

MFlex[®] Nitrile Finger Textured Gloves

Manufacturer: MedZon Health*

Description

- Fentanyl Permeation Testing per ASTM D6978
- UL Certified NFPA
- Fully Textured
- Finger Thickness \geq 8.25 mil
- Palm Thickness \geq 6.0 mil
- 12" length
- Powder Free

MForce[®] Nitrile Examination Gloves

Manufacturer: MedZon Health*

Description

- Protection against chemotherapy
- Protection against fentanyl citrate
- Complies with NFPA standards
- Full Texture
- Powder-free
- Latex-free
- Non-sterile
- Black

Surgical Glove PI - POLYISOPRENE

Manufacturer: MedZon Health*

Description

- Sterilized by Gamma Irradiation
- Powder-Free and Latex-Free
- Easy Donning
- AQL 1.0
- Textured Surface in the Grip Area
- Anatomic Shape (L/R) with Curved Fingers
- Purified with Chlorination
- Tested for use with chemotherapy drugs per ASTM 6978

Surgical Underglove PI BLUE - POLYISOPRENE

Manufacturer: MedZon Health*

Description

- Sterilized by Gamma Irradiation
- Powder-Free and Latex-Free
- Easy Donning
- AQL 1.0
- Textured Surface in the Grip Area
- Anatomic Shape (L/R) with Curved Fingers
- Purified with Chlorination
- Tested for use with chemotherapy drugs per ASTM 6978

Surgical Glove LATEX

Manufacturer: MedZon Health*

Description

- Sterilized by Gamma Irradiation
- Powder-Free and Latex-Free
- Easy Donning
- AQL 1.0
- Textured Surface in the Grip Area
- Anatomic Shape (L/R) with Curved Fingers
- Purified with Chlorination
- Tested for use with chemotherapy drugs per ASTM 6978

Procedure Mask Level 1

Manufacturer: MedZen Health*

Description

- BFE >95% PFE >95%
- 3-ply level 1
- High filtration efficiency
- Multi-layer breathable ES material
- Non-irritating to skin
- Extra soft ear loops for enhanced comfort
- 50 pcs/box
- Available in small and regular sizes

Procedure Mask Level 1 FOG-FREE

Manufacturer: MedZen Health*

Description

- BFE >95% PFE >95%
- 3-ply level 1
- Fog-free strip
- High filtration efficiency
- Multi-layer breathable ES material
- Non-irritating to skin
- Extra soft ear loops for enhanced comfort
- 50 pcs/box
- Available in small and regular sizes

Procedure Mask Level 3

Manufacturer: MedZen Health*

Description

- BFE >98% PFE >98%
- 4-ply level 3
- High filtration efficiency
- Multi-layer breathable ES material
- Non-irritating to skin
- Extra soft ear loops for enhanced comfort
- 50 pcs/box
- Available in small and regular sizes

Blue DuckBill Mask with Ear Loops

*Manufacturer: MedZon Health**

Description

- 3-ply
- Flat, Latex Free Elastic Earloop
- High Filtration Efficiency
- Multi-layer breathable material
- Non-irritating to skin
- Ear Loops

White DuckBill Mask with Ear Loops

*Manufacturer: MedZon Health**

Description

- 3-ply
- Flat, Latex Free Elastic Earloop
- High Filtration Efficiency
- Multi-layer breathable material
- Non-irritating to skin
- Ear Loops

Duck Bill Surgical Tie Mask

Manufacturer: MedZon Health*

Description

- ASTM F2100 Level 2
- BFE >98% PFE >98%
- 4-ply 34 GSM
- High Filtration Efficiency
- Multi-layer breathable material
- Non-irritating to skin
- Surgical Ties

DuckBill Surgical Tie Mask with Shield

Manufacturer: MedZon Health*

Description

- ASTM F2100 Level 2
- BFE >98% PFE >98%
- 4-ply 34 GSM
- High Filtration Efficiency
- Multi-layer breathable material
- Non-irritating to skin
- Surgical Ties with Shield

DISPOSABLE ISOLATION GOWN LEVEL 1

Manufacturer: MedZon Health*

Description

- 20 gsm
- SMS
- Thumb loops
- Yellow
- 10pcs/box, 100pcs/case
- Available in large

AAMI LEVEL 1

DISPOSABLE ISOLATION GOWN LEVEL 2

Manufacturer: MedZon Health*

Description

- 30 gsm
- SMS
- Knitted Cuffs
- Blue
- 10pcs/box, 100pcs/case
- Available in large

AAMI LEVEL 2

DISPOSABLE ISOLATION GOWN LEVEL 3

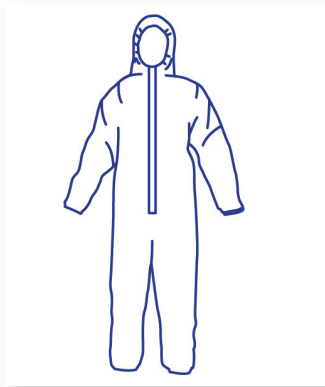

Manufacturer: MedZon Health*

Description

- 45 gsm
- SSMS
- EO Sterile
- Knitted Cuffs
- Ultrasonic Bonding
- Anti-static and Alcohol-repellant

AAMI LEVEL 3

Disposable Gown Coverall

*Manufacturer: MedZon Health**

Description

- Microporous 63 GSM white
- Protects against low to minimal fluid exposure
- Soft and comfortable
- Elastic band on cuff and ankle
- Front zipper with flap cover
- Ankle length for height flexibility

Disposable Gown Coverall WITH COLLAR

*Manufacturer: MedZon Health**

Description

- Microporous 63 GSM white
- Protects against low to minimal fluid exposure
- Soft and comfortable
- Elastic band on cuff and ankle
- Front zipper with flap cover
- Ankle length for height flexibility
- Front zipper with flap cover
- Ankle length for height flexibility
- Available in small and regular sizes

Bouffant Caps

Manufacturer: MedZon Health*

Description

- 30 GSM
- 24"
- One size fits most
- Soft and strong elastic
- Non-sterile
- For single use only

Disposable Boot Cover

Manufacturer: MedZon Health*

Description

- White, laminated, low-linting fabric designed to help protect the wearer's foot wear from non-hazardous liquid splashes and dust.
- Provides reduced contamination from the working environment.
- Special treads on the bottom provide stability and traction.
- Knee high

Disposable Shoe Cover

Manufacturer: MedZon Health*

Description

- Blue, laminated, low-linting fabric designed to help protect the wearer's foot wear from non-hazardous liquid splashes and dust.
- Provides reduced contamination from the working environment.
- Special treads on the bottom provide stability and traction.

Alcohol Prep Pads

Manufacturer: MedZen Health*

Description

- Made with 70% isopropyl alcohol to reduce bacteria on the skin
- Soft, absorbent, non-woven

Aloe Vera Disinfecting Wipes

Manufacturer: MedZen Health*

Description

- Kills 99.9% of viruses and bacteria with powerful
- All purpose
- Easy pull pack

Disposable Stethoscope - Yellow

*Manufacturer: MedZon Health**

Description

- Thick wall tubing minimizes background interference
- Dual head ideal for both adult and pediatric patients, getting around bandaged areas and carotid assessment
- For high frequency sounds and low frequency sounds

Suction Catheter

Manufacturer: MedZon Health*

Description

- Polished Tip
- Color adopts to the international color standard

Silicone Foley Catheter

Manufacturer: MedZon Health*

Description

- Made of high quality silicone,
- Tube body is smooth and inlaid with developing line, which is convenient for clinical observation
- Balloon has good balance and stretch, more safe in the process of use
- Adopt color standard air valve, avoid specification and model confusion effectively

Nelaton Catheter

Manufacturer: MedZon Health*

Description

- Universal funnel shape connector for easy connection to urine bag
- Atraumatic
- Soft rounded
- Closed tip with two lateral eyes for efficient drainage
- Sterile/Disposable/Individual Packed

Nasal Cannula

*Manufacturer: MedZon Health**

Description

- Made of GB 15593 soft polyethylene raw material
- The tube body adopts a unique plum-shaped compression design
- Good elasticity and kink resistance
- Custom oxygen fittings can be matched with various humidification bottles

Oxygen Tubing

*Manufacturer: MedZon Health**

Description

- Made of GB 15593 soft polyethylene raw material
- The tube body adopts a unique plum-shaped compression design
- Good elasticity and kink resistance
- Custom oxygen fittings can be matched with various humidification bottles
- Available in a wide variety of tubing lengths

Endotracheal Tube

*Manufacturer: MedZon Health**

Description

- Resistant to disintegration and kink, no irritation in patients with smooth head tip
- The scale marks are persistent and clear, and are not degenerated by the concentration of anesthetics or gases used clinically
- The tube body is inlaid with developing line to facilitate X - ray detection and determine the position or intubation in the body

Intubating Stylet

Manufacturer: MedZon Health*

Description

- Sort round tip
- Flexible use for assistance of intubation

Guedel Airway

Manufacturer: MedZon Health*

Description

- Smooth airway path
- Facilitate airway suctioning
- Color coded for easy size identification
- Prevent the airway suctioning

Berman Airway

Manufacturer: MedZon Health*

Description

- Variety size
- Latex-free
- Strong bite to ensure airway patency

Suction Connecting Tube

Manufacturer: MedZon Health*

Description

- The suction connecting tube is made of high elastic PVC raw material
- Resistance to negative pressure
- Flexibility is good

Yankauer

Manufacturer: MedZon Health*

Description

- Reasonable design
- Passivation smooth, reduce the risk of surgery for patients
- Straight and curved, easy to attract residual liquid

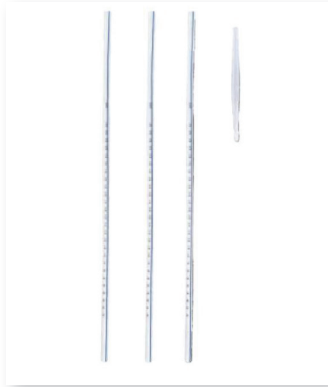

Finger Tip Connector

Manufacturer: MedZon Health*

Description

- Finger tip for vacuum control
- For usage between suction catheter and suction tubing

Drainage Tubing

Manufacturer: MedZon Health*

Description

- Head end is smooth
- Tube body is made of high elastic material for easy drainage
- The development design is line equipped to facilitate with clinical calibration and observation of the position of the catheter in vivo

Bubble Tube

Manufacturer: MedZon Health*

Description

- Manufactured from Medical grade PVC
- PVC is supplied nonsterile in continuous rolls with no end connectors
- Kink resistant provides superior safety for the patient
- Easily cuts to desired length with scissors
- Flexible funnel ends attaches easily to most fittings and prevent kinked tubing
- With integral connectors at every 31" (80cm) intervals
- Dispensed in single convenient box
- Available in 6mm and 7mm

Feeding Tube

Manufacturer: MedZon Health*

Description

- Medical grade PVC.
- Tube length 38cm.
- The tube body has calibration and X-ray developing line, which is helpful to observe the position change of the tube in the body

Nasogastric Tube

*Manufacturer: MedZon Health**

Description

- PUR material.non-toxic
- More than 30 days stay in body
- With Stylet

Oxygen Mask

Manufacturer: MedZon Health*

Description

- The mask is soft and smooth, making it soft and comfortable to wear
- With oxygen tube, it is convenient to connect with air source
- This product is composed by mask, elastic strap, tube and oxygen connector

Manual Resuscitator

Manufacturer: MedZon Health*

Description

- All the best features at a price that fits your budget.
- Soft cushion mask allows for an effective seal on the patient's face
- The patient port swivels 360 degrees
- Infant, pediatric and adult sizes available, with masks
- Reservoir style is available in bag or tubing

Anesthesia Face Mask

Manufacturer: MedZon Health*

Description

- Material: PC, PVC
- The transparent mask shell is easy to observe the vomit and blood stain in the mask and understand the patient's natural breathing
- The interface with color marking ring can match all kinds of respiratory anesthesia machine

Urine Meter Drainage Bag

Manufacturer: MedZon Health*

Description

- The top of the metering box is equipped with a waterproof and breathable filter membrane to maintain atmospheric balance and facilitate the passage of urine
- Accurate scale design provides more accurate data for clinical diagnosis
- Sampling valve is made of silicone which can ensure repeated operation without leakage
- Cross valve design, convenient one-hand operation, fully protect medical staff, avoid cross infection
- The bedsheet clip is easy to secure the drainage tube to prevent sliding
- Magic hook, easily suspended with different models and specifications
- Tie bar can be suspended without hook
- Backflow prevention devices effectively reduce probability of retrograde urinary tract infection

Suction Canister and Liner

Manufacturer: MedZon Health*

Description

- Liner is soft and clean.
- Easy to observe the residual liquid operation
- Liner cover is smooth appearance
- Large diameter can easily add coagulant and disinfectant
- With counter current value to effectively prevent liquid backflow, protect negative pressure equipment
- One-time use without cleaning, avoid cross infection

Feeding Bag

Manufacturer: MedZon Health*

Description

- Perfusion is convenient
- Scale clear and transparent bag ensure the dosage
- With strong plug cap, dependable hanging ring
- 1000ml available

Drainage Bag

*Manufacturer: MedZon Health**

Description

- Single Chamber

VT Tourniquet Cuffs

*Manufacturer: MedZon Health**

Description

- Used for rapid hemostasis of extremities in an emergency
- Materials: Durable TPU coated Nylon fabric, Polyethylene plate
- Full range of 8 sizes to fit most patients, from infant arms to adult thighs
- Latex Free

MJet Disposable Syringe Luer Lock

Manufacturer: MedZon Health*

Description

- Easy slide syringe for simple clinical injections.
- Easy-to-read graduations with big bold scale markings, resistant to fade and wear.
- Manufactured to precise tolerances to offer accurate dosage delivery.
- Luer lock fittings comply with international standards and can be used with any product with 6% taper fittings
- Sizes: 1cc, 3cc, 5cc, 10cc, 20cc, 30cc, 50cc, 60cc

MVac Gel Clot Activator Tube

Manufacturer: MedZon Health*

Description

- MVac* evacuated tube contains serum clot activator plus a separating gel barrier which delivers rapid results and ensures stability after centrifugation.
- All tube sizes contain a rubber, leak-resistant closure cap to provide safe handling of equipment during blood draws.

Safety Auto Retractable Syringe

Manufacturer: MedZon Health*

Description

- Sterile blister pack
- Single use only
- Ultra-sharp needle tip minimizes patient discomfort
- Needlestick prevention
- One-hand activation mechanism
- Spring-retractable structure design
- Patented claw design on needle hub to prevent falling before using
- Low dead space design
- Accurate dosage injection

LOR Syringe (NRFit Tip and Luer Tip)

Manufacturer: MedZon Health*

Description

- Sterile blister pack
- Single use only
- Loss Of Resistance technique only
- Yellow coded for NRFit tip compatible use only
- Blue Coded for Luer tip compatible use only
- ISO 80369-6 standard tip for neuraxial use connection

NRFit Syringe

Manufacturer: MedZon Health*

Description

- Non-sterile
- Bulk pack
- Yellow coded for NRFit tip compatible use only
- ISO 80369-6 standard tip for neuraxial use connection

Allergy Syringe

Manufacturer: MedZon Health*

Description

- 25 pcs tray pack
- Sterile
- Single use only
- Ultra-sharp needle tip minimizes patient discomfort
- Allergy test application only
- Customized sizes available

Tuberculin Syringe

Manufacturer: MedZon Health*

Description

- Sterile blister pack
- Single use only
- Ultra-sharp needle tip minimizes patient discomfort
- Attached needle design
- Lower dead space
- Detachable needle design for needle change
- Attached/Detach needle design for TB application
- Safety design TB syringe available
- Custom sizes available

Dental Curved Syringe

Manufacturer: MedZon Health*

Description

- Bulk pack
- Single use only
- Curved tip design
- 12ml capacity
- Dental irrigation use only

Safety Needle

Manufacturer: MedZon Health*

Description

- Sterile blister pack
- Single use only
- Ultra sharp needle tip minimizes patient discomfort
- Available with ultra-thin, thin and regular wall thickness
- Needlestick prevention
- Color coded for easy identification of needle sizes
- Knock or thump push to activate safety mechanism
- Compatible with standard syringes

Standard Needle

Manufacturer: MedZon Health*

Description

- Sterile blister pack
- Single Use only
- Ultra-Sharp needle tip minimizes patient discomfort
- Color coded for easy identification of needle sizes
- Compatible with standard syringes
- Customized sizes available

Filtered Blunt Fill Needle

Manufacturer: MedZon Health*

Description

- Sterile blister pack
- Single use only
- Special needle tip design to prevent rubber fragment contamination
- 5-micron filter membrane to prevent particles contamination

Dental Needle

Manufacturer: MedZon Health*

Description

- Sterile blister pack
- Single use only
- Bevel direction indicated on protective sleeve
- Ultra-sharp needle tip minimizes patient discomfort
- Color coded and Clear printing for easy identification
- Imperial and metric system both available
- Compatible with standard dental injection syringe
- Customized sizes available
