# About Us

## OUR VISION

To be the global leader in medical supply products.

## OUR MISSION

To develop and produce the finest, high-quality medical products in the industry and deliver first-rate services to our clients.

## OUR STORY

MedZon Health\* is a leading innovator of medical supplies. We are taking unprecedented measures to ensure that vital medical supplies are kept in stock and available. We partner with developers and manufacturers to source medical products of the highest standards. Our purpose is to keep those on the front line of healthcare equipped and safe. We operate as a 24/7 supplier for any urgent needs that may arise. Our global footprint includes offices and manufacturing plants in the United States, Turkey, Thailand, Malaysia, China, South Korea, and Japan. The subsidiary Rogex\* was established to operate air, ocean, and ground distribution. We are here to meet our unified goal of delivering excellence by ensuring rapid delivery to all our partners.

## A Tradition of Caring

The industry MedZon Health\* serves is a demanding and emotional one, as it addresses the challenges of a universal reality—human healthcare. At some point in our lives, all of us will need quality care to be sustained and restored. This is what drives MedZon Health\*—the fact that what we do and how we do it will directly impact the wellbeing of others. Therefore, we are committed to bringing the best products into the healthcare industry to make a positive difference in the lives of healthcare workers and patients. To fulfill our promise, MedZon Health\* continuously strives to excel in 3 core values:

### Passion

People are always at the heart of all that matters for MedZon Health\*. Specifically, the customers and patients whose care is entrusted to us through the use of our professional products. Each step we take is guided by respect, compassion, and empathy for others.

- People First
- Honesty and Integrity
- Knowledge

### Performance

We aggressively pursue innovative solutions with uncompromising vigor. Our team possesses the highest sense of urgency and quality in each step of our process to guarantee the best products.

- Dedication
- Unparalleled Service
- Teamwork

### Evolution

We bring to the market high-quality, best-value integrated solutions and products that address the needs of today's healthcare environment and anticipate those of tomorrow.

- Product Superiority
- Total Quality
- Improving Patient Outcome

# Who We Serve

## Acute Care

ACUTE CARE is where a patient receives active short-term treatment for a severe injury or episode of illness, an urgent medical condition, or during recovery from surgery. Acute care settings include emergency rooms, intensive care units, urgent care centers, and other general areas where patients can become acutely ill and require stabilization before being transferred or discharged.

## Assisted Living

ASSISTED LIVING provides older or disabled adults personalized care in a residential setting. Assisted living services include medication management, dressing, groom, and assistance with using the bathroom. Meals, laundry, housekeeping, transportation services, and social activities.

## Consumer

CONSUMERS may require personal protective equipment such as ear loop face masks, 95 masks, gloves, face shields and other medical supplies to prevent infection or to reduce risk from contaminants.

## EMS

Emergency Medical Services (EMS) include ambulatory services, paramedic services, and emergency services that urgent pre-hospital treatment and stabilization for serious illness and injuries and transport to definitive medical care.

## HME Provider

HME PROVIDERS provide home medical equipment for patients whose care is being managed from a home or other private facility managed by a nonprofessional caregiver or family member.

## Home Care & Hospice

HOME CARE & HOSPICE provides comfort care to a patient with advanced illness when curative medical treatments are no longer effective or preferred.

## Hospitals

HOSPITALS are health care institutions that provides treatment with specialized medical and nursing staff and medical equipment.

## Integrated Deliver Network

INTEGRATED DELIVERY NETWORK is a system of healthcare providers and facilities that offer both health care and health insurance plans to patients within a defined geographical area.

## Long-Term Care

LONG-TERM CARE is a variety of services which help meet both medical and non-medical needs of people with a chronic illness or disability. Long-term care can be provided at home, in the community, in assisted living facilities, or in nursing homes.

## Medical Practices

MEDICAL PRACTICES are health care facilities that are owned and managed by a physician (private practice) or a group of physicians (group practice).

## Research, Education, & Development

RESEARCH, EDUCATION, & DEVELOPMENT organizations may have a need for various medical supplies. This includes general research, laboratory research projects, non-profit community projects, and clinical practice for nursing and medical students.

## Surgery Center

SURGERY CENTERS are designed exclusively for short-stay surgery. These health care facilities are focuses on providing same-day surgical care, including diagnostic and preventative procedures.

## Sheriffs and Jail System

SHERIFFS AND JAIL SYSTEMS are trusted to keep their populations safe from infection and community spread and need quality medical supplies to meet this duty.

## Police and Fire Departments

POLICE AND FIRE DEPARTMENTS both have a primary responsibility for keeping their employees safe in the field with PPE, with Fire Departments also needing many of the same medical supplies as a full-function ER.

## Coroners

CORONERS require the same medical supplies as hospitals and private practice, from PPE to surgical devices.

# Who We Serve

MedZon Health\*, a global medical supply company, is proud to serve in a full spectrum of healthcare settings

Our headquarters, in Orange County, California, is the anchor to our national network in the United States. We operate as a 24/7 supplier for any urgent needs that may arise.
